

Twilight Prep

If you've scheduled a twilight shoot the following are additional items to prepare before I arrive. Note that twilights have tight schedules to ensure optimal lighting, so please make sure all these items are ready before I arrive.

- Turn on all interior and exterior lights: All lights throughout the property need to be turned on. Please replace all burned-out bulbs at least 24 hours before the photoshoot.
- Turn on spas and remove covers: If you have a spa, remove the cover, and turn it before I arrive. Turn on the lights in the spa as well.
- Turn on pool lights: If you have a pool, turn on the pool lights before I arrive.
- Turn on water features: If you have fountains, waterfalls, or similar water features, please turn them on before I arrive.

Thank you for your time and patience to go through this checklist! If you have any questions, please feel free to contact me anytime.
